

Homework projects

We appreciate that our Y2 pupils work hard throughout the week and these are some ideas for possible homework projects to extend their learning at home in various ways. All you have to do throughout the term is have fun!

- Can you make your own 1666 house?
- Can you write a dairy entry based on that night?
- Can you draw the Great Fire Of London using pastels?
- Can you describe the fire?

Miss Colclough and Mrs Noyland love displaying homework projects in class and on corridors it would be lovely to see a few more this half term! Thanks!

The Great Fire Of London

Year 2

Spring Term 2

Miss Colclough/Mrs Noyland

Literacy

In literacy both classes will be using talk for writing. Both classes will be covering diary entries and narratives. Please help children to learn text maps at home.

We ask for you to practice spellings and read at least five times a week. Library day is Wednesday so please bring your book bag to change your book.

Computing

Y2 will be using different ICT programmes to create their own presentations on The Great Fire of London. .

Maths

In maths we will be learning about measurement, fractions multiplication and problem solving. We need to know our x2, x3, x5 and x10 tables so we will be learning these in each lesson too. We have also started to use Times Table Rock Stars so you could download the app and practice at home too!

The Great Fire Of London

Art/DT

This half term we will be focussing on designing and making our 1666 homes and understanding why they burnt down so easy.

Science

This term our science focus is materials. We will be looking at the properties of different materials. This will link into our DT work.

Things to remember!

Reading

Your child needs to bring their reading book into school **every** day. Please remember to sign your child/children's reading record so this can count towards their 5 reads for the week.

Spellings

Children will be given spellings **Fridays** and will be tested **the following Friday**.

Maths

Please help your child complete the ten minutes maths homework every week.
Tests will be done on a Friday.

RE

The children will be learning about light and dark in relation to religious education.

Topic

Throughout this half term we will be focussing on design and technology, history as well as science. We are hoping to organise a visit from the local fire station.

PE

PE days are Wednesday and Thursday.

Please ensure that children have their PE kit including footwear in school, as we may be outside during some of the half term.
