Dear Parents/Carers.

Thank you to those parents who have continued to support their child's remote learning from home. It is lovely to see parents and teachers working together to ensure no child falls behind during these unprecedented times. If you have loaned a school laptop, there is an expectation that children attend all live lessons and complete all other tasks set on Tapestry or Seesaw. We have now loaned out all government laptops that we received and only have much older school laptops left which do not work as well so it is imperative that loaned laptops are being utilised as much as possible by children at home. If you need support in this, please contact the school or your child's class teacher through Dojo.
