Empowering children in a life full of choices

NEWSLETTER

Friday 19th March 2021

Dear parent/carer,

Learning letters

We have listened to the feedback that you gave us in a recent survey which told us that lots of parents want to know more about what their children are going to be learning about in school so that you can offer more support at home. After Easter, each week, we will be sending home a learning letter that has this information on for you with some activities on that you may be able to do with your child to help them with their learning in school. We hope that you find these helpful and would welcome your feedback on them in the coming weeks.

Anti-bullying

11 of our Y5 children completed The Diana Award and are now Anti-Bullying Ambassadors for the school. Supported by HRH The Duke of Cambridge, The Diana Award Anti-Bullying Campaign engages young people, parents and teachers to change the attitudes, behaviour and culture of bullying by building skills and confidence to address different situations, both online and offline. To find out more information please visit: <https://www.antibullyingpro.com/>
