Wednesday 3<sup>rd</sup> March 2021

Dear parents/carers,

I hope that this letter finds you and your family safe and well. As you will know, last week the government announced that all schools are to fully open to all pupils on Monday 8<sup>th</sup> March. I wrote to you all last week to explain that we were awaiting further guidance and that as soon as we were able, we would write to share our plans with you.

This government guidance can be found on the link below:

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak>

Using this guidance we have made careful plans for the return of the children. We continue to have a robust risk assessment in place and have worked hard over the past few weeks to make any necessary adjustments in light of the new guidance.

You should also find attached to this letter the full reopening handbook which is full of useful information and should cover all of the questions that you may have about the children returning to school on Monday 8<sup>th</sup> March.

Finally, I would like to once again take this opportunity to thank you all for your continued support throughout this lockdown to sincerely thank you all for the efforts that you have made to support our pupils over these past few months.

We have missed the children who have not be in school with us and cannot wait to see everyone on Monday morning.

I hope that this information gives you the reassurance that you need regards sending children back to school. If, however, you have any further questions then please do not hesitate to get in touch.

Yours sincerely,

Mrs E Cadman
