Empowering children in a life full of choices

NEWSLETTER

Friday 23rd April 2021

Dear parent/carer,

Learning letters

Please remember to check the website for up to date learning letters. These letters will give you an oversight of what your children will be learning in school each week.

Cycling on school grounds

Thank you so much for your support in asking the children to dismount from their cycles and scooters at the school gate. Unfortunately, there was an incident on the playground at the end of the first week, before I had had chance to send out the newsletter. Fortunately, no one was badly hurt and I am glad that we now have this rule in place to keep all of the pupils as safe as possible.

Polling station

A small section of the school will be used as a polling station in the local elections on the 6th May, as it always is. There will be a number of safety measures in place and we are confident that this can be done safely without members of the public coming into contact with any of our staff and children.

Key messages for the week:

- Learning letters are on the website
- Cyclist must dismount at the school gates
- After school clubs to start week beginning 26.04.21
- Please ensure children are in the correct uniform

Key Diary Dates next half term

Monday 3rd May - Bank holiday – school closed

Monday 10th May – Science week

Monday 31st May – school closed for half term

Monday 7th June – school reopens

Please note that although we endeavour to stick to these dates there may be occasions when we have to make alternative arrangements due to instances we cannot control. Further communication will be sent out nearer each event.
