

Year 4 Learning Leaflet

MATHS

Number and Place Value

Apply place value knowledge to solve related calculations.

Home Task: How could your child use 4×3 to solve 4×30 and 4×300 ?

Times Tables

This week our focus is on the 9- and 12-times tables. **Encourage your child to chant these multiples wherever and whenever!**

WRITING

Narrative Opening

Our class book is 'Odd and the Frost Giants'. We will use this text within our English lessons to inspire us to create our own narrative ensuring we use taught devices to build cohesion.

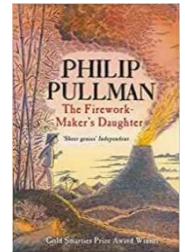

Can your child construct a timeline of events from the story?

READING

Firework Maker's Daughter

Next week, we are continuing reading The Firework Maker's Daughter. Children will develop their fluency skills, ensuring they are using punctuation and expression.

Can your child choose their favourite character and explain why they like them? They could even draw a picture of them to support this.

NOTES

Homework – look out for weekly spellings, which should be practiced for Friday's test.

Reading – our expectation is to read at least 3x per week at home.

Handwriting – this week we are learning Kk and Ll letters. Please practise these at home.

Parent comments – please get in touch via email or Class Dojo if you would like to comment on your child's learning.

OTHER LEARNING

Science – we will be looking at things that use electricity. **See if your child can draw an electrical circuit using the symbols they have been taught.**

History – we are continuing our Anglo-Saxons and Scots topic. We will look at how they lived. **Can your child name and locate the 7 kingdoms of the Anglo Saxons?**
