

Year 6 Learning Leaflet

MATHS

Long multiplication.

We are using our 4, 6, 7, 8 and 9 times tables to solve long multiplication calculations! This will recap previous learning, so we will adding plenty of problem solving questions into our lessons.

Home Task: give your child a calculation (6845 x 64) and race them to see who can find the answer first.

124 x 26 becomes

$$\begin{array}{r} \\ 1 \\ \times \\ \hline 7 \\ 2 \\ \hline 3 \\ 1 \end{array}$$

Answer: 3224

WRITING

Figurative Language

Our writing will continue to focus on the book 'The Promise'. This week we will be creating our own examples of similes and personification to describe a gloomy city setting from our book.

READING

'Iceland' Non-fiction

Our reading this week will focus on an information text all about the country, Iceland. We will be using our retrieval skills to locate and recall information about the country.

Ask your child if they can tell you any facts they have learnt about Iceland from our text this week.

NOTES

Homework – look out for

Maths- Long Multiplication fluency questions

Spelling- New spelling list and activity

**School Diary Dates – PE Kits
Monday and Friday**

Parent comments – please get in touch via email or Class Dojo if you would like to comment on your child's learning.

OTHER LEARNING

History – We will finish our unit on WWII and the Battle of Britain this week. We will look at pilots from the Commonwealth who came to fight for Britain and examine their importance

Art- We will be creating our own screen prints in art this week!
