

Year 4 Learning Leaflet

MATHS

Addition and Subtraction

This week the children will practice adding 4-digit numbers using column addition with exchanges.

Home Task: Can you write down some 4-digit calculations for your child to solve.

Times Tables

This week our focus is on the 11- and 12-times tables. **Encourage your child to chant these multiples wherever and whenever!**

$$\begin{array}{r} 2,490 \\ + 7,965 \\ \hline \end{array}$$

WRITING

Narrative Opening

Our class book is 'Odd and the Frost Giants'. We will use this text within our English lessons to inspire us to create our own narrative ensuring we use taught devices to build cohesion.

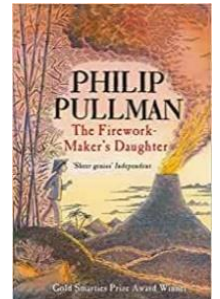

Can your child rewrite the opening of the story in first person from Odd's perspective?

READING

Firework Maker's Daughter

Next week, we are continuing reading *The Firework Maker's Daughter*. Children will develop their fluency skills, ensuring they are using punctuation and expression.

Can your child use their knowledge of the story and their senses to write a descriptive poem about a volcano?

NOTES

Homework – look out for weekly spellings, which should be practiced for Friday's test.

Reading – our expectation is to read at least 3x per week at home.

Handwriting – this week we are learning Nn and Oo letters. Please practise these at home.

Parent comments – please get in touch via email or Class Dojo if you would like to comment on your child's learning.

OTHER LEARNING

Science – we will be looking at things that use electricity. **Can your child write an explanation on the role of a switch?**

History – we are continuing our Anglo-Saxons and Scots topic. We will look at their beliefs. **Can your child name some of the pagan God's the Anglo-Saxons followed?**
