

Year 6 Learning Leaflet

MATHS Fractions

This week we will continue our work on fractions. We will look at the different methods we use to add and subtract fractions, including mixed numbers and improper fractions. **Home Task: Ask your child to complete the following calculation and talk you through their method: $2 \frac{1}{4} + \frac{4}{5} =$**

WRITING

Writing Diary Entries

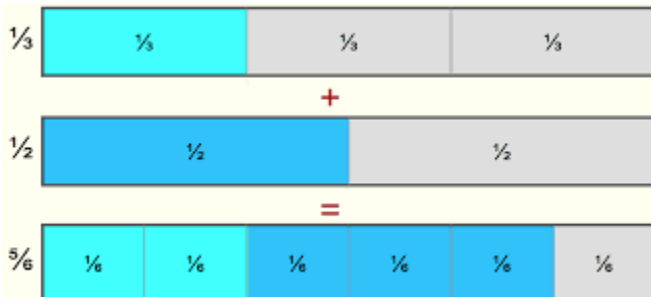

Our writing this week will focus on a book that looks at the story of Anne Frank. We will write a number of diary extracts that focus on Anne's experiences when hiding in the Annex.

READING

Texts on Ethiopia.

Our reading this week will focus on fiction and non-fiction texts based around the country of Ethiopia. We will particularly look at summarising our texts

Read a text/book with your child and ask them to summarise what has happened in the part you have read.

NOTES

Homework – look out for

Maths- Adding Fractions

Spelling- New spelling list and activity

School Diary Dates – PE Kits

Monday and Friday

Parent comments – please get in touch via email or Class Dojo if you would like to comment on your child's learning.

OTHER LEARNING

Science- This week we will be focusing on our new unit of science- **Light**. We will look at how refraction impacts the way we see things.

PE- We will continue our unit on netball and put our skills to the test in some netball matches.
